POLICE START NEW EYE TESTS ON WEDNESDAY

State police will give the first tests locally Wednesday in the state's physical examination program for holders of driver's licenses.

The police will give an eye examination to the drivers who receive a green tinted physical examination form from the state instead of their drivers license application.

From 9 a.m. to 4 p.m. Wednesday the state police will give examinations to those who are seeking licenses for the first time as well as those who have to have eye examinations. From 4 p.m. to 10 p.m. the eye examinations will be given only to those required under the new program.

HAVE DATA READY

To expedite the examination police have asked that all the information required to be furnished by the individual be properly filled out on the form before appearing at the station for the test.

Similar hours and tests will continue each Wednesday until January 6.

Counties may take the eye examination in nearby cities if they wish. At York the examination point is 1195 Roosevelt Ave. from 8 a.m. to 10 p.m. on Mondays, Tuesdays, Wednesdays and Thursdays and from 8 a.m. to 4:30 p.m. on Saturdays.

At Chambersburg the examination point is Room F, YMCA building, Sixth and McKinley Sts., with tests on Tuesdays from 9 a.m. to 3:30 p.m. and on Saturdays from 9 a.m. to 3:30 p.m.

At Carlisle the examination point is the highway garage on W. North St. The examinations will be conducted Mondays and Fridays from 9 a.m. to 10 p.m.

No examinations will be conducted Thanksgiving Day, police announced.

Says Addiction Possible From Tranquilizers

"People can become addicted to the use of tranquilizers and pills as easily as to the use of the less respectable forms of narcotics," Harold M. Beringer, a narcotics control agent for the State Department of Health in Central Pennsylvania, told members of the Gettysburg Lions club Monday evening at their weekly dinner meeting at the VFW home.

Mr. Beringer told of the "dangerous effects" of excessive use of these pills which are available legally only by prescription and should be used only as directed by a physician.

"A truck driver can get an extra 500 miles a day by taking these pep pills or 'bennies' that he can buy at roadside truckstops but if he continues to use them he starts seeing things on the road that aren't there and before long state police are scraping up the remains of a family whose car was hit by a drugged driver."

MANY FALSE ALARMS

He added: "The use of pep pills and tranquilizers is getting out of hand and is a real problem." He suggested that more effective legislation is needed in this state and many others to control this situation and other phases of the drug traffic.

He said "99 per cent of the calls I receive on reports of drug peddling or pushing or addiction in this part of Pennsylvania are false but we run down every one of them." He described the three-fold job of narcotics control agents in this state as being law enforcement, giving help to addicts who are "sick persons" and educating the public about the narcotics danger.

HUNTER FINED \$88 ON MONDAY

A hunting expedition into Adams County cost Maurice Emory Bradshaw, Emmitsburg, \$88 and a few hours in jail Monday night.

Bradshaw was charged by Game Protector Paul Glenn before Justice of the Peace Fred L. Klosterman, Gettysburg R. 2, with hunting without a non-resident hunting license. The fine in that case was \$50 and the costs \$9.

He was also charged by Glenn before Justice of the Peace Robert P. Snyder here with giving false information to acquire an Adams County resident hunting license. The fine in that case was \$20 and the costs \$9.

Bradshaw was jailed about 10 o'clock Monday night in default of the fines and costs. Later he was released when the \$88 was raised by his family and friends.

FIRE COMPANY WOMEN WILL ELECT DEC. 13

Plans for a combined business meeting, election of officers and Christmas party, to be held December 13 at 6:30 p.m. at the VFW home, E. Middle St., were outlined Monday evening at a meeting of the Auxiliary of the Gettysburg Fire Department at the Adams Electric Cooperative building, rear of N. Stratton St.

A \$1 gift exchange was also planned for the Christmas party and members were asked to make reservations for the dinner session by December 9 with Mrs. Guyon Buehler.

Named as the program committee were Mrs. Ray Breighner and Mrs. William Gallagher, co-chairmen, Mrs. George Eberhart, Mrs. Francis L. Linn, Mrs. Nelson Groft and Mrs. Lawrence Groft. The decoration committee was named as Mrs. Patsy Fetter and Miss Jane Stallsmith.

The auxiliary passed votes of thanks to Paul Knox for use of a truck in the Halloween parade and to Donald McSherry for assistance in preparing the float.

Mrs. William Rosensteel was accepted as a new member. A surprise auction was conducted as the program for the evening.

The following were nominated for various offices, with the election to be held December 13: President, Mrs. Martin Crabbill; Miss Jane Stallsmith; vice president, Mrs. Thomas Gibbons and Mrs. Eugene Sanders; secretary, Mrs. Patsy Fetter and Mrs. Harold Hockensmith; treasurer, Mrs. Thomas Cole and Mrs. Robert Heyser; chaplain, Mrs. Roy Milhimes and Mrs. Glenn Raffensperger.

DeMolay Officers Installed Monday

Newly elected officers of the local chapter of the Order of DeMolay were installed Monday evening at a meeting in the Masonic Building, Lincoln Square.

James Bricker presided at the ceremony at which Richard Hess was installed as master counselor, succeeding Allan Hoke. Others officers installed were: Samuel Kessel, senior counselor; Wayne Conover, junior counselor; Chris Flynn, senior deacon; Aaron Neal, junior deacon; Donald Hawbeck, senior steward; Larry Helwig, junior steward; Robert Baker, orator; James Bricker, scribe; Allan Hoke, treasurer; Richard Kitzmiller, sentinel; Lynn Keefe, chaplain; Barton Olinger, marshal; Larry Larue, standard bearer; James Scott, almoner, and Carson Lowe, Arthur Dykeman, Harry Ridinger Jr., James Neuman, Kenneth Kime, George Inskip Jr. and Barton Collins, preceptors.

ALUMNI TO DINE

The dinner meeting of the Adams County alumni of the Shipensburg State College, scheduled for Thursday evening at the Eisenhower Elementary School, has been moved to the Peace Light Inn, it was announced today by Paul Burkholder, an officer of the county group.

Dr. Ralph B. Heiges, president of the college, will be the principal speaker. The dinner session will be held at 6:30 o'clock.

SPEAKS ON WEDNESDAY

The Rev. Donald Powell will speak at the York Springs Church of God, Rt. 15, Wednesday evening at 7:30 o'clock. He will tell of his experiences as a missionary evangelist and Bible School director on Andros Island, Bahamas. Rev. Mr. Powell is finishing an interrupted scheduled of last spring when an explosion in their boat, "The Andros Star," killed their seven-year-old daughter, Donna.

ROTARY CLUB OBSERVES 40TH ANNIVERSARY

The 40th anniversary of the founding of the Gettysburg Rotary Club was observed Monday evening at a ladies' night dinner in the Hotel Gettysburg.

Dr. Frederick Tilberg, who served as president of the club in 1943, and as its secretary for the following 15 years, was master of ceremonies.

He said that when the local club was formed, the 770th, there were 7,700 members in the then 15-year-old national organization. Today there are 497,000 Rotarians in 10,750 clubs in 119 countries throughout the world.

M. C. Jones, first president of the club, recalled the organization of the group in 1920 under sponsorship of the York Rotary Club. "Somehow I was elected first president. This was not too bad because nobody knew if we did things right or not. But by the end of the year Rotary had found its stride and found things that could be done for the community."

CITES ACCOMPLISHMENTS

"Each and every year since, Rotary has been able to find new projects of community service. Over the 40 years it has done a great deal of good financially and by the help of members for many activities in the community. By and large over the 40 years the Rotarians have proved pretty good workers. Looking back over the years you recall so many who helped in many ways. The best proof that Rotary has done its share of community work is this anniversary. No club could do nothing and survive for 40 years."

Frederic E. Griest, Flora Dale, also a charter member of the club, said: "There is a feeling of sadness when one thinks of the ones who have been members and have gone on and a feeling of gladness for the new men who have taken their places. There is a constant renewal to life that is mirrored in our club. Some drop out and others take their places."

Samuel G. Spangler, York St., who became a member of the club four months after it was chartered, told of his pleasure in being a Rotarian through the years.

OTHER EARLY MEMBERS

Dr. Tilberg listed other early members of the club: Albert Billheimer, C. William Beales, Allen B. Plank, George C. Fissel, C. A. Blocher, Edmund W. Thomas, W. F. Gilliland, Dr. Charles H. Huber, H. T. Weaver, William C. Tyson, Dr. Chester N. Gitt, Attorney John D. Keith, Dr. J. McCrea Dickson, Paxton Bigham, George F. Eberhart, Frank Peckman, S. F. Lehman and Rev. Paul Pontius.

Wilbert Baker was introduced as a member of the club for 35 years and its president 25 years ago.

William G. Weaver, who in the 1920s succeeded his father as a member, outlined the activities of the club through the latter part of the 1920s and 1930s. "Attorney Eugene Buleit is the only one of the nine men who joined in 1928 still with us," he said.

Library's Friends Elect Rev. Simmons

The Rev. C. Reynolds Simmons, Gettysburg, was named as the new president of the Friends of the Library at their annual meeting Monday evening. Mrs. Robert Fortenbaugh was re-elected vice president. Mrs. Gerald Mitson will serve as corresponding secretary and Miss Minnie Killingsworth was named historian.

The library auxiliary voted to pay for the relocating of reference works which are not now easily available to library users and undertook financially to improve the exterior walls of the Adams County Public Library.

The members heard Mrs. Earl Bowen describe the people and customs of "beautiful and remote" Afghanistan, a landlocked mountainous ancient kingdom of central Asia, from her experience of a two-year residence there. Mrs. Frank Hewetson, outgoing president, was given a vote of thanks.

The meeting was held at the main library on E. High St.

Catholic Nurses To Hold Xmas Dinner

Members of Our Lady of the Rosary Guild of Catholic Nurses will hold a combined Christmas dinner with the York Guild Thursday, December 15, at Abbotstown, it was announced at last week's meeting. The dinner will be served at 6 p.m. Reservations may be made with Miss Jean Anthony, president, or Anita Myers by Monday, December 5.

Dr. S. D. Solomon, Gettysburg, was the speaker at the meeting. Prizes were awarded Mrs. Zillah Smith, Mrs. Evelyn Smith and Mrs. Rose Britcher.

All Smiles

Wide smiles are worn by the two opponents in the recent presidential campaign as Vice President Nixon, left, and Sen. John F. Kennedy, the president-elect, right, met in Miami, Fla., Monday for a conference. Kennedy, vacationing in Palm Beach, flew to Miami to join Nixon. (AP Wire-photo)

U.S. Air Force Again Plucks Discoverer Satellite Capsule Out Of Skies Over Pacific

By HENRY HARTZENBUSCH

HONOLULU (AP) — The U.S. Air Force did it again Monday, plucking a Discoverer satellite capsule out of the skies for the second time.

Proud airmen declared the catch was routine.

The Air Force, which calls the gigantic recovery area a "ball park," could point to a climbing fielding average.

Snares in the 250 by 50-mile "ball park" 500 miles northeast of Honolulu was the military spy capsule ejected by Discoverer XVII.

12 WERE LOST

The first 12 Discoverer capsules were lost in the vast Pacific. Number XIII was the first recovered, although it landed in the ocean and was retrieved by a Navy frogman dangling from a helicopter.

On Aug. 19, a C119 Flying Boxcar made the first catch of an object from space. That was Discoverer XIV's capsule.

Discoverer XVII's capsule was bagged. The Flying Boxcar that guilped it, appropriately dubbed Pelican II, made the catch like an outfielder who does it up fancy after losing the ball in the sun.

The Pelican II was piloted by Capt. Gene W. Jones, 39, of Walla Walla, Wash. Jones and his nine-man crew almost missed their rendezvous.

LEAK CAUSED DELAY

His plane was late leaving Hickam Air Force Base because of a fuel leak. Then, in the northern area of the "ball park," Jones' crew spotted the capsule's silver and orange parachute against the clear blue Pacific skies and made a run for it at 11,000 feet.

"We barely ticked it," Jones told reporters later.

But the plane circled and went after the capsule again at 9,500 feet.

The huge plane's trapeze-like snare caught the chute and 21 (Continued On Page 3)

U. S. Is Observing "Diabetes Week"

National Diabetes Week is being observed throughout the nation this week. The alarming increase in the number of new diabetic cases, according to a local spokesman, has brought about a general warning to individuals to consult their physicians for an early checkup to determine if they are afflicted.

"Approximately 750,000 new cases of diabetes are expected to break out this year," the spokesman said, "and it is urgent that a campaign be waged to suppress the increase."

GETS DISCHARGE

Fred E. Landsperger, son of Mr. and Mrs. Fred S. Landsperger, Emmitsburg Rd., has returned home after serving two years in the United States Army. Landsperger received his basic training at Ft. Dix, N. J., and served at Ft. Sill, Okla. For the last 10 months, he was stationed with the artillery unit at Ft. Lewis, Wash. He was a member of the First Rocket Howitzer Battalion.

ILLEGAL STICKER

Justice of the Peace Anna E. Thompson has sent a 10-day notice to Francis W. Weikert, Gettysburg R. 2, on a charge of displaying an illegal inspection sticker, filed by the state police.

H. S. LIBRARY IS NOT UP TO ALA STANDARD

Although the Gettysburg High School library does not measure up to all of the high standards set by the American Library Association, its physical facilities are "as near ideal as any envisioned by the ALA," Miss Susan K. Wentz, high school librarian, told members of the Gettysburg Joint School Board Monday evening.

She was introduced by Superintendent H. Edgar Riegler in a continuation of a series of departmental presentations by teachers and department heads.

"Persons who visit our library for the first time always comment about its size and its furnishings," Miss Wentz said. "It is one of the best I've ever seen or read about."

She described the purposes of a high school library as including participation in the whole school program, providing necessary library services, stimulating and guiding pupil reading, helping teachers in the selection of supplementary materials and training pupils in the use of the library.

Miss Wentz said that the ALA recommends the expenditure of (Continued On Page 3)

\$150,000 Tax Shortage In Carlisle Revealed Monday

CARLISLE, Pa. (AP)—The Carlisle School Board and Borough Council were told Monday night a preliminary audit has turned up a \$150,000 shortage in taxes collected the past two years.

The audit covered the 1959-60, 1960-61 taxing years. About \$1.4 million was levied within the borough for the borough, school district and county in the 1959-60 year. No figures were available on the second year.

The difference, the auditors reported, was between taxes collected by Charles G. Lightner, borough tax collector, and payments to the three taxing jurisdictions. Lightner's attorneys declined comment on the report. He has been tax collector here since 1948.

BERMUDIAN'S NEW SCHOOL READY JAN. 25

The Bermudian Springs Joint School District's new \$1,250,000 high school building will be ready for use next January 25, architects told members of the Bermudian Springs Joint School Board Monday evening. Ground was broken for the 25-room structure that also has a cafeteria-auditorium in October of 1959.

Much of the business at Monday's meeting was related to the new school and preparation for its opening. President Raymond Leer presided at the meeting which was held at York Springs.

The board authorized the architect to advertise for bids for the grading and seeding of the athletic field at the new school. The bids will be opened Friday evening by the building committee.

ATHLETIC PROGRAM UP

The employment of custodial and maintenance help for the new school was discussed and turned over to the personnel committee with the recommendation that at least one employee be chosen by December 15. Board members expect two full-time and possibly a part-time employee may be needed at the new school. The top salary set for the position was \$4,500.

The board also approved the asking of bids for additional furnishings for the new school, authorized the connection of telephone service there and then discussed the high school athletic program. That subject was referred to the curriculum committee for study and a report.

Bills totaling \$48,430 were approved for payment. Continuing a practice begun last year of presenting departmental reports at board meetings, Supervising Principal Amos D. (Continued On Page 3)

Dr. Newsham Moves Into New Hospital

Dr. Richard C. Newsham, Hanover St., today moved his office, residence and veterinary hospital to Woodcrest, R. 2, according to a display advertisement published elsewhere in this edition. The new hospital is located off the Fairfield Rd. one mile from Lincoln Square.

The new hospital measures 60x30 feet and includes Dr. Newsham's offices, surgery room, dispensary and kennels. It is equipped with all new modern equipment and furnishings.

Elks Ladies Night Banquet Thursday

Driver Is Charged Following Mishap

Chester Shank, 65, Hampton, was charged by Hanover police with making an illegal turn at an intersection following an accident in which the auto he was operating was in collision with another in Hanover Saturday at 11:40 p.m.

Shank was traveling east on Broadway in the center lane of traffic when he attempted to make a right turn into an alley, colliding with a car operated by Clark W. Strausbaugh Jr., Hanover, also traveling east on Broadway, but in the extreme right lane of traffic, police said.

The information was filed before Justice of the Peace William Y. Nail Jr.

Police said estimated damage was \$75 to Strausbaugh's vehicle. There was no reported damage to the Shank car.

FIRE POLICE COMMENDED BY TROOPER

Sgt. Joseph Tappe, commanding officer of the local substation of state police, commended Adams County Fire Police Association members and the fire companies of the county Monday evening in a talk before the fire police at their meeting in the engine house.

"I want to thank you for the assistance the fire police gave on July 4 weekend to help keep traffic moving, and I want to praise you for your wonderful radio system and the manner in which your companies respond so quickly to all alarms."

"The best proof that you are doing a good job is the lack of complaints received by the state police. There have been none at all since I have been at the station here and I assure you that if you were not doing a good job we would hear about it."

WARNS AGAINST SPEEDING

"There is one caution I do want to give. Sometimes you travel a bit too fast in your own cars going to a fire. As a matter of courtesy we do not strictly enforce the speed limits against firemen responding to an alarm. But that is courtesy. We appreciate the emergency and want to help. Legally you have no right whatsoever to exceed the speed limits or go through red lights or stop signs when you are in your own private cars responding to an alarm. I appreciate the emergency and I don't think anyone would complain, but there is one thing to keep in mind. You are responsible for any damage that might occur. Even state policemen in pursuit of a criminal, if (Continued On Page 3)

COUNTIAN IS JAILED

Rhoad Stauffer, Littlestown, was lodged in the county jail Monday night on a disorderly conduct charge brought before Justice of the Peace George Maitland, Littlestown.

BEGIN SALE OF XMAS SEALS THRU COUNTY

The Adams County Tuberculosis Society, which recently bought a stratigraphic apparatus for the Warner Hospital has sent out its annual Christmas seal letters to provide funds "to help in the battle to control tuberculosis through buying and using Christmas seals."

The society sent letters to 6,450 countians and organizations. Approximately 70,000 seals have been distributed.

Going out over the signature of President H. Thomas Pyle, the letters said in part: "Your support . . . of the Adams County Tuberculosis Society makes possible the continuation of its program in your county. Included in this program during the last year were services of the mobile X-ray unit, hospital and clinical assistance, promotion of better health through posters and books and the furnishing of milk and clothing to certain patients. You can assist in assuring the continuation of this program by purchasing and using Christmas seals."

The donations are to be sent to Miss Helen Spangler, 18 Chambersburg St., Gettysburg. Checks should be made payable to Miss Elizabeth Evans, treasurer.

EXPLAINS USES

The stratigraphic apparatus, which has been given to the Warner Hospital by the tuberculosis society permits the use of this hospital of a special technique in the X-ray department known as planigraphy, laminography or tomography which permits the (Continued On Page 3)

CHANGE PLANS OF SCHOOL FOR "EFFICIENCY"

The Gettysburg Joint School Board Monday evening at its November meeting at the high school approved preliminary plans for a "far superior" layout for the proposed new senior high school building that architects said will permit more efficient use of the structure and bring cuts in construction costs.

The first plan had called for a Y-shaped building built into the hill north of the present high school. The new plan achieves a better grouping of classrooms and other units into an L-shaped structure that will measure 480 feet along its main section. Five thousand square feet of floor space was cut out by the rearrangement, the board was told.

The directors gave approval to an estimated \$8,500 bill for moving a sanitary sewer line which now crosses the site of the proposed building. It will be moved south as much as 60 feet at some points.

GYM IS ENLARGED

Another change in school plans approved Monday night was to add eight feet to the length of the gymnasium so that 11 feet instead of three feet of space will be available between the edge of the basketball court and the gym wall. The increase in the size of the gym may cost \$10,000, the architects said.

Both approvals were voted on recommendation of the finance and planning committee, presented by Chairman Addison Durbin.

Matters in connection with the new high school occupied much of the board's time Monday evening. Still operating with a 37-member board, the meeting was delayed a half hour until a quorum was present. President Ralph W. Guise presided.

Superintendent H. Edgar Riegler submitted a written report on the (Continued On Page 3)

BOARD GETS FACTS ABOUT GRID INCIDENT

A move at the Gettysburg Joint School Board meeting Monday evening to refer the "Carlisle football game incident" to its discipline committee for investigation was dropped after High School Principal Clifford B. Snowberger reported on "the facts of the case" and the disciplinary action that was taken. The brief discussion ended when the motion to refer the matter to the special committee was withdrawn and with directors in apparent agreement that steps taken by the school administrators had dealt with the situation and that the matter now should be "dropped."

In answer to questions from directors, Mr. Snowberger said the "whole affair has been magnified about 25 times. The incident could be called typical of 16 or 17-year-old boys. They made a mistake, realized and admitted it, repented and have been disciplined. I would strongly advise against carrying this matter any further," he said.

Pressed for details about the incident which occurred the evening of the Gettysburg-Carlisle football game, Mr. Snowberger said that "in the parking lot at Gettysburg before leaving for Carlisle, someone had something we believe was a kind of home brew. The boys did not know what it was and some of them took a few sips. It is simply ridiculous to claim the boys were drunk because they lost 68-0. They would have lost that game anyway if they had spent the whole day before resting in bed. Carlisle was that much better."

"The boys involved were (Continued On Page 3)

St. James Women To Meet Thursday

"How to Make Christmas Music" will be the theme of the quarterly general meeting of the Women of St. James Lutheran Church Thursday evening at 7:30 o'clock in the primary room at the church. A playlet under the direction of Mrs. Luther Wisler will dramatize the theme. Devotions will be conducted by the Phoebe Circle, Mrs. Richard Waybright, leader, and members of the Rachel Circle, Mrs. Edgar Weaver, leader, and the Hannah Circle, Mrs. Almira Motaka, leader, will be hostesses.

Mrs. C. C. Culp, president, will conduct the business session.

Burglary Charge Against Hanoverian

State police today alleged that Leo Gerald Little, 25, Hanover, used 15 hours of freedom from the Adams County Jail on November 7 to not only steal and wreck a car but also to burglarize the New Oxford Rod and Gun Club.

Little completed a 30-day sentence on a disorderly conduct charge at 7:30 o'clock on the morning of November 7. At 10:30 o'clock that night he was back in jail, charged with the theft of a car from Kaiser Brothers lot in New Oxford. Police brought him to the jail after they had had a call to an auto accident near Hanover, found the driver of the wrecked car missing, drove along the highway and picked up Little while he was hitchhiking, took him to Hanover Hospital to have his injuries patched up, then took him before a justice of the peace and finally delivered him back to the prison.

Today Little was removed from the jail long enough to appear before Justice of the Peace Anna Thompson charged with burglarizing the New Oxford Rod and Gun Club of some beer. They claim he broke into the gun club the same afternoon he stole the car in New Oxford. He pleaded innocent to the charge and was recommitted to jail.

File Complaint In Assumpsit Action

A Westminster firm has filed a complaint in an action in assumpsit in the prothonotary's office alleging Maitland Brothers, Littlestown R. 2, owes it \$6,931.40 plus six per cent interest from September 23, 1953, for rental of machinery used in construction of the Bowling Green Speedway race track at Brodbeck, York County, in that year.

The complaint, filed Monday by Attorney Edward B. Bulleit, is in the suit started last year by Thomas, Bennett and Hunter, Inc., of Westminster, against John E. and Joseph Maitland trading as Maitland Brothers.

According to the complaint, Maitland Brothers on August 11, 1953, entered into an agreement by which the Westminster firm provided such items as a tractor used as a pusher, two caterpillar scrape units, a tractor-trailer, a sheep's foot roller and a roofer, plus operators, to Maitland Brothers for construction of the track for Clyde R. Bolen. The work was completed September 23, 1953, according to the complaint, and no payments have been made since. Accompanying the complaint is the bill rendered for the work which shows among its items that roofer's rent for \$100 a week while sheep's foot rollers can be had for \$40 per week. The listing includes overtime for Sunday work.

Raffensperger Is Kiwanis Speaker

The objectives of the town-supported recreation program in Gettysburg were described by Lee Raffensperger, new "rec" director here, in a talk Monday evening at the weekly dinner meeting of the Gettysburg Kiwanis Club at the Lamp Post Tea Room, Carlisle St. Mr. Raffensperger explained the nature of the program in Gettysburg and showed some of its activities by the use of slide projections. He said that the objectives of the local work in recreation are many and include physical fitness, mental health, character development and good citizenship through the good use of leisure time.

He said that Gettysburg is fortunate in having ample areas and many facilities for recreation but added that "there are still other facilities that are sorely needed for a more complete development of the program."

President William Ditzler presided at the meeting.

Two Treated At Warner Hospital

Richard Utz, 17, son of Mrs. Ruth Utz, R. 3, was treated at the Warner Hospital Monday for a fracture of the nose received Sunday while playing football.

Wilmer Bechtel, 20, Westminster R. 2, an employee of the B. and D. Woodworking and Finishing Co., Westminster R. 1, received treatment Monday for partial amputation of the right index finger which became caught between a bar and chain.

IS NOMINATED

Governor Lawrence Monday sent the name of Donald J. Krepps, McSherrystown, to the State Senate for confirmation of his appointment as justice of the peace in McSherrystown. Krepps' nomination along with a number of others died in the Senate as the legislative session ended.

BURY MRS. POIST

Funeral services for Mrs. Corine S. Poist, 66, W. High St., New Oxford, who died Saturday, were held this morning at 8:30 o'clock from the Fred F. Feiser Funeral Home at New Oxford with a requiem high mass at 9 o'clock in St. Mary's Immaculate Conception Church with interment in St. Mary's Cemetery. The pallbearers were Robert, Donald, John and James Poist, James Cook and William Brenner.

The next meeting will be held December 12 at 7:30 o'clock in the post home at which time the annual Christmas party will be held with an exchange of \$1 gifts. Any member wishing to donate stamped Christmas greeting cards, for hospitalized veterans are asked to give them to the president, Mrs. Mary Fridinger before November 28. Refreshments and games followed the meeting.

Mrs. Virginia Lauver, Lincoln Square, entertained the following over the weekend: Mr. and Mrs. Clifford E. Laughman and son, Tommy, Hanover; Miss Emma Sprengle, Waynesboro, and Mrs. Lauver's brother, J. Lloyd Deatrich, Chambersburg.

The YWCA board of directors met Monday afternoon at the "Y" with the vice president, Mrs. Arthur E. Rice, presiding. Mrs. Paul L. Reaser was in charge of devotions.

Mrs. Ralph D. Heim, executive director, reported on the conference at Radnor, which she recently attended. The membership committee reported 71 new members in October. The statistical report showed 90 meetings held in the Y in October attended by 1,638 and 239 volunteers. Mrs. Mark K. Eckert reported the Rotary Club had given the YWCA a new mixer. The Garden Club was given permission to decorate the windows of the building for Christmas. Bookshelves have been placed in the upper hall by the religious emphasis committee and filled with religious material.

Mrs. LeRoy LeVan reported for the Y-Teen committee. There are six groups with 191 members, 11 advisors and seven mother advisors this year. Mrs. Harold Dunkelberger was named a new member on this committee. Plans are underway for a baby-sitter course and a volunteer nurse aid course for this group in the near future, Mrs. LeVan said.

The World Fellowship Committee will hold a World Fellowship Fun Night at the Y Thursday at 8 p.m.

Mrs. J. B. Berry reported that

the annual "Hanging of the Greens" will be held Sunday, December 11, at 3 p.m. The YWCA will close at noon Saturdays until more volunteer help can be secured to keep it open.

The next board meeting will be held December 12 at 8 p.m.

Mr. and Mrs. Leo Goulden, R. 3, spent the weekend with Mr. and Mrs. Ben Jones, Berwick.

Wedding

Kaas — Gelwicks

Miss Mary Anne Gelwicks, daughter of Mr. and Mrs. Earle R. Gelwicks, Emmitsburg, and A/c William J. Kaas, Washington, D. C., son of Mr. and Mrs. John D. Kaas, Rocky Ridge, Md., were married Saturday in St. Joseph's Catholic Church, Emmitsburg, at 10 o'clock. The nuptial Mass and double ring ceremony was performed by the pastor, Rev. Fr. James Twomey.

The bride given in marriage by her father wore a white lace tulle gown, cocktail length, with a bouffant skirt, long sleeves and a V neckline. Her shoulder-length veil fell from a crown of sequins and pearls. She carried a white prayer book topped with flowers and streamers.

Mrs. Glenn Singley, sister of the bride, Gettysburg R. 2, was matron of honor. She wore a copen blue lace dress with taffeta underskirt, a white satin bandeau hat, white shoes and gloves, and carried a bouquet of pink and blue carnations and baby chrysanthemums with pink streamers.

Miss Linda Williams, Baltimore, was bridesmaid. She wore a beige lace dress with chiffon skirt, beige feather bandeau hat, beige shoes and gloves. She carried a bouquet of gold and bronze carnations and baby chrysanthemums with gold streamers.

The directors elected Stephen Poleski, graduate of Wilkes College in 1959, as a high school art teacher at an annual salary of \$3,800. Previously approved by the teacher committee, Mr. Poleski has begun his duties. Names added by the board to the list of approved substitute teachers include: Mrs. Thelma Barnheimer, Biglerville; Mrs. Lee Raffensperger, Gettysburg; and Mrs. Marilyn Mann Cashmore, a former local teacher.

The board confirmed bid awards made by the supply committee at a meeting October 26 for elementary audio-visual equipment including a tape recorder for \$149 from Dave's Photo Supply. The awarding of contracts for purchase and installation of three electric water coolers in the old section of the high school building also was confirmed. They were bought from Frederick Trading Co., Frederick, for the low bid of \$643.

FINANCIAL STATEMENTS Financial statements were distributed to board members by Business Manager Kenneth G. Reinhart showing the percentages each district pays toward elementary and secondary school costs and each district's position on payments into the joint treasury.

Bills totaling \$25,623 were ordered paid. The board approved creation of an extra clerical position in the office of Mr. Reinhart and directed that a job analysis be prepared for the office.

Directors were offered tickets to the Junior class play on Friday at the high school and Principal C. B. Snowberger urged directors to support school functions. The board approved payment of 50 cents per bus per day to Herbert Oyler for transporting special education pupils between Keefauver and Eisenhower Schools. Mr. Riegle noted that Mr. Oyler has been "most cooperative" in supplying buses for many school needs.

Elementary Coordinator Richard A. Folkenroth reported that an average of 70 per cent of all families represented in the elementary schools visited the schools during American Education Week. The figure was as high as 90 per cent in some home rooms, he said.

The treasurer's report from the First National Bank showed tuition payments of \$81,000 in the last month and expenditures of \$84,358 leaving a November 5 balance of \$45,854.

CAFETERIA REPORTS Cafeteria report showed: High school operated 19 days, served an average of 899 pupils daily and 30 adults with a net profit of \$204; Keefauver School, 571 students and 40 adults with a net loss of \$99 and Eisenhower School, 671 pupils and 76 adults with a net profit of \$701.

Adams County alumni of Shippenburg were given permission to use the Eisenhower cafeteria for a dinner session Thursday. Today it was announced the meeting has been moved to a restaurant.

Monthly health reports were submitted by the school nurses.

HOLD MUMMERT RITES Funeral services for Mrs. Sally K. Mummert, who died Saturday evening, were held at 2 o'clock this afternoon at the Dugan Funeral Home, Bendersville. Rev. Dr. O. D. Coble officiated and burial was in The Pines Cemetery. The pallbearers were Fred, Dean, Larry and Merle Mummert.

PLAN SCHEDULES A meeting of South Penn Conference faculty managers was held Monday evening at the Peace Light Inn when future schedules were discussed and planned.

CHANGE PLANS

(Continued From Page 1)

outcome of last week's merger votes in which only Gettysburg borough and Freedom Twp. approved the merger. The merger matter was not referred to during the meeting.

ADDITION POSSIBLE

In the discussion of the change of layout for the new school building, the board was told the new plan leaves school land available for future additions of up to 20 rooms to the proposed building.

A proposal to cover Winebrenner Run in front of the new school might cost \$35,000, architects said. It was suggested that when bids are asked for the new structure, an alternate offer be taken on the covering of the stream so that it could be decided then with cost figures available. If the run is not covered, it could be landscaped attractively, it was noted.

Chairman Durborow reported to the board that last month he received a call from William A. Bigham, representing the Gettysburg Gun Club property owners, stating the club had a "firm offer of \$10,200" for its land and asking if the school board wished to make a better offer. Some time ago when the school board was interested in acquiring the gun club property it had made an offer of \$7,000. The owners were asking a considerable higher figure then. The board did not comment on the new information.

NEW PARKING AREA

The board approved expenditure of about \$200 to extend the parking area at the Eisenhower School so that large buses can make the turn in front of the building without backing which was described as "very dangerous" at dismissal time. Crushed stone will be placed so that cars can park off the paved area which will be free for the use of buses.

The directors elected Stephen Poleski, graduate of Wilkes College in 1959, as a high school art teacher at an annual salary of \$3,800. suspended for two days, were barred from attending a sports banquet, placed on a probationary period and their receiving of athletic letters has been postponed indefinitely.

Asked "where the coaches were when this was going on," Mr. Snowberger said: "The coaches were in the locker rooms checking out equipment. They did not know about it at the time. They couldn't have. When they discovered it, they reported it to me and we began working on the matter."

He termed "utterly ridiculous" reports there had been drinking on the bus.

Robert H. Deardorff, Gettysburg board president, took the floor to say the best way the school board can help improve athletics at Gettysburg High School is to "attend the games and show the teams and coaches they have our support and confidence."

UNION THANKS SERVICE TO BE HELD NOV. 23

Plans were announced Monday at the November meeting of the Littlestown Ministerium for the community Thanksgiving service to be held Wednesday, November 23, at 7:30 p.m. in Centenary Methodist Church.

The Thanksgiving message will be delivered by the Rev. George Shultz Jr., pastor of St. Luke's United Church of Christ, near Littlestown. The evening's offering will go to Church World Service.

The Rev. William R. Jones, president, presided and offered the opening prayer at the bi-monthly meeting of the Littlestown Ministerium held on Monday morning in St. Paul's Lutheran Church. In attendance, in addition to the Rev. Mr. Jones, who is pastor of Centenary Methodist Church, were the Rev. John C. Chatlos, pastor of St. James' United Church of Christ; the Rev. G. Howard Jones, pastor of Christ United Church of Christ; the Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ; the Rev. William C. Karns, pastor of St. John's Lutheran Church; and the Rev. David S. Kammerer, local retired Lutheran minister.

PLAN PREACHING MISSION

A fall clothing drive is now in progress within each church of the ministerium. The individual congregations will be responsible for shipping the clothing collected to the World Service Center at New Windsor to be prepared for overseas shipment.

Preliminary plans were discussed for the annual preaching mission to be held January 1-6 in St. Paul's Church. Details on the mission will be discussed further at a special meeting of the ministerium on a date to be announced.

The session closed with prayer by the Rev. Mr. Karns.

HOME-COMING EVENTS

Annual Home-coming Sunday was observed in Centenary Methodist Church on Sunday. The guest speaker was the Rev. Benjamin L. Stenger, now pastor of Grace Methodist Church, York, who was pastor of Centenary Church from 1923-1927. The Rev. Mr. Stenger's sermon subject was "Mankind's Deep Need, Brotherhood." A large congregation was in attendance.

An anthem was sung by the combined choirs. The bulletins were presented by the Boys' and Girls' classes, taught by Kent E. Daum and Mrs. Marian Crist. The altar flowers were placed in honor of the home-coming visitors by the Adult Bible Class, taught by Chester S. Byers. A basket of flowers was placed in memory of the Rev. and Mrs. Hugh Strain by the Official Board. The Communion vessels on the Communion table were originally presented by Mr. and Mrs. Hamilton Forrest, recovered by Miss Emma Forrest, were resanctified for future preservation by Mr. and Mrs. Ralph R. Ruggles and sons, Ronald and Douglas, in memory of Ralph R. Ruggles Sr. It was announced that Christmas cards are available from the officers of the Woman's Society of Christian Service. The fall clothing drive now in progress will conclude on November 27 and donations should be brought to the church.

Following the service on Sunday, the Rev. and Mrs. Stenger were guests of the Rev. and Mrs. William R. Jones at dinner in the Starlight Room, Dutterer's Restaurant.

"SWEET JESUS"

When the weight of heartache makes you . . . stumble as you go along . . . fix your thoughts upon sweet Jesus . . . and you never will go wrong . . . think of how forgiving He was . . . even in the face of death . . . and how words of love were uttered . . . as He cast His dying breath . . . oh, the wonder of this lesson . . . tender as the touch of spring . . . it's the ship on life's wild ocean . . . to which all mankind can cling . . . yet, so many turn their backs on . . . the real key to happiness . . . and they struggle in a whirlpool . . . where there is naught but distress . . . so I say, think of sweet Jesus . . . follow Him and always pray . . . in your heart peace will be present . . . matters not how rough the way.

minutes later the instrument-loaded capsule was reeled aboard. The successful grab was made at 1:02 p.m. Hawaii time—6:02 p.m. EST. CIRCLES GLOBE 31 TIMES

The Discoverer XVII capsule was in orbit longer than the previously recovered containers. The others had been ejected from their satellites on the 17th pass around the earth. This one, rocketed aloft Saturday at California's Vandenberg Air Force Base, was ejected on its 31st time around. The gold-plated capsule weighed 300 pounds when it left the 2,100-pound satellite but only 125 pounds after its plunge back into the earth's atmosphere.

"It was a little bit scorched around the edges," said Capt. Jones, referring to the fiery reentry into the atmosphere.

After he and his crew, joined by jubilant air force officials, met reporters and photographers, Jones stepped into a C-130 and flew the capsule to Sunnyvale, Calif., south of San Francisco, where officials planned to examine the capsule at Air Force Ballistic Missile Division headquarters.

He was succeeded by his son, David Blocher Sr., and now his grandson, Dave Jr., is a member." He recalled the interest of the late Dr. Rasmus Saby who established a record of 23 years of perfect attendance.

OTHER SPEAKERS

Mares Sherman recalled the 1940s including two district assemblies held here. Dr. Harold Dunkelberger recalled "the fascinating fifties included sponsorship of a circus, start of the horse show which has provided much for the hospital and other charities."

Clifford Snowberger, a new member of the club, reported, "Twenty-three years ago I was a student Rotarian. When I entered the meeting for the first time I saw a sign on the wall stating 'Is It The Truth?' I wondered why such a sign was there. Then I was told of the four-way test which I term the four main ideals of Rotary. You know the test — listed as four questions:

"Is it the truth? Is it fair to all concerned? Will it build good will and better friendship? Will it be beneficial to all concerned?" This made me determined to be a Rotarian, for I found that these men were putting into their daily lives the ideals on which the four-way test is based."

Rev. Robert A. MacAskill spoke of Rotary as "part of a great world fellowship which provides each Rotarian with the opportunity of service and the dignifying of his vocation."

Dr. Tilberg said, "There are five members of our club who became members in the 1920s, five who became members in the 1930s, 14 who became members in the 1940s and 40 who became members in the 1950s."

President William Lentz presided at the meeting. Vice President Dr. Richard Newsham announced the next ladies' night dinner will be held at the Hotel Gettysburg December 19. Julius Swope led group singing accompanied by Dr. Kenneth Smoke.

focusing upon a single layer of tissue located at any depth within the body, without interference from any intervening structures or growths. Without this attachment it has not been possible, without surgical procedures, to determine the depth of lesions or growths within body cavities.

Standard X-ray techniques have permitted the visualization of lesions in the chest for example, but we had not been able to locate precisely their depth. This apparatus will be invaluable to the hospital in the diagnosis of obscure deep-seated lesions or growths, especially within the chest area. This apparatus depends basically upon motion within the apparatus itself to blur out all matter except that on the direct plan of focus. This way all confusing superimposed shadows are eliminated and only the desired location is in sharp focus, it was explained by Dr. J. L. Boyer, hospital radiologist.

PTA MEETS TONIGHT

The East Berlin unit of the Bermudian Springs PTA will meet at 8 o'clock tonight in the school all-purpose room.

A panel discussion will be held on the topic "The Effect of Magazines, Movies and TV On Our Children." The moderator will be Mrs. Vernon Hoke. The panel includes high school teacher, Mrs. Raymond S. Davis; elementary teacher, Jack Miller; Rev. Harold Stoudt, pastor of the Trinity Lutheran Church, East Berlin; representing the parents, Mrs. Robert Gregory. The executive committee will meet at 7 o'clock in the same room and the publicity committee will meet following the meeting of the PTA.

The ALA recommends 10 books per student and Gettysburg's High School library has about six per pupil. The two library staff members plus a part-time secretary also are below ALA recommendations, Miss Wentz said, but added that the present staff is "adequate."

She said the high school library has five sets of encyclopedias and one is replaced each year so that none is more than five years old. The library subscribes for 80 magazines and five newspapers and makes about 3,000 book loans per month.

Miss Wentz and Riegle agreed that the library "does not quite come up to all standards set by the state, although the state requirements are lower than those of the ALA."

The librarian recommended to the board that when the new senior high school building is put into use that another member be added to the library staff as a coordinator and instructor in library services. In answer to questions, Miss Wentz declared that few schools have libraries that fully meet ALA standards. "They are very high," she said.

Elect Officers Of Dairy Club Monday

Robert Smith, York Springs R. 1, was re-elected president of the Adams County 4-H Dairy Club at a meeting Monday evening in the home of Donald Leer, York Springs R. 1. About 30 members and parents attended.

Other officers elected were: Vice president, Robert Bream, Aspers R. 1; secretary, Susan Fissel, Biglerville R. 1; news reporter, Sally Brown, Littlestown R. 1; group leader, Judy Fissel, Biglerville R. 1, and song leader, Margaret Leer, York Springs R. 1.

Robert Bream spoke on the proper care and management of calves and heifers from birth to the time they are released to the herd.

The next meeting will be a Christmas party on December 19 at the West St. branch of the Gettysburg National Bank.

Actress Has Virus And Poor Teeth

LONDON (AP)—Actress Elizabeth Taylor's doctors said today she is suffering from a severe virus infection aggravated by bad teeth.

That raised the question if one of the world's most beautiful women will have to have her teeth extracted.

"We must leave that decision to the dentists," replied her British physician, Dr. Carl Goldman, "but we are hoping not."

Her American doctor said the ailing actress spent a comfortable night but she is still sick.

Meyers introduced three first grade teachers who told the directors about the program of instruction for beginners. The teachers were Mrs. Margaret Moul, Mrs. Nellie Harbold and Mrs. Alice Koons. Elementary Supervisor Charles Phillips reported about 150 visitors in the district's elementary schools during American Education Week.

Bids for band instruments were opened and the Menchey Music House at Hanover was awarded the contract for a sousaphone for \$433.

CHANGE CALENDAR

The board authorized orders for about \$600 worth of scientific equipment to be bought under the National Defense Education Act.

The directors changed the school calendar to make Monday, November 28, a school day instead of the last day of the Thanksgiving vacation and declare December 5, the first day of deer season, as a holiday.

The board set the second Monday of December as the time for the next meeting.

FIRE POLICE

there is an accident, are held responsible in the courts. There is no way to escape that responsibility to the innocent bystander. So drive with care and regard for safety of all others even though it may take a few moments longer.

"From all reports I receive and from my own experience you do an excellent job. There is one more job I wish you would do for us."

OPEN UP TRAFFIC

"Your first duty is to see that the way is cleared for the fire apparatus and keep spectators safe from harm. You do a better job actually of setting up detours around fires than I probably would because you know the roads and the area in which you are working. But in addition to seeing to the safety of the public and the fire companies and the unimpeded operation of the fire equipment, I wish you would also keep an eye open for suspicious persons around fires and for evidences of arson. If there is a suspicious person find out who he is. Call upon us at any time. A delay may mean the loss of valuable evidence in the case of a fire."

The fire police chose Greenmount their December place and Hampton in January. President Francis Rabine, on behalf of the New Oxford Fire Company, thanked the members of other companies for assistance at the recent fire at New Chester.

Girl Scout News

Intermediate Girl Scout Troop 22 met Monday evening and took notes pertaining to a badge. The girls delivered pamphlets for Swope's Atlantic Station following the meeting. Leaders in charge were Mrs. William Musser and Mrs. Julius Swope.

Girl Scout Troop 62 held its regular meeting Friday afternoon at St. James Lutheran Church. The meeting opened with a flag ceremony in honor of Veterans' Day. The girls also worked on the tree badge note book and the meeting closed with Indian taps. Leaders in charge were Mrs. Louis Brady and Mrs. Walter Fohl.

Girl Scout Troop 55 met Monday afternoon and all registration money was turned in. The uses of leathercraft were demonstrated by a guest speaker.

Brownie Troop 71 held its regular meeting Monday afternoon at St. James Lutheran Church. After roll call, awards were presented to the girls who sold the most calendars. The winners were: First place, Peggy Thompson; second, Leslie Orner; third, Theresa Hankey, and fourth, Kim Hughes. A flag ceremony was held with the investiture of Mrs. Marlin Bergdale as assistant leader and Mrs. Paul Reaser as a member of the troop committee.

The second birthday of a troop was celebrated with each girl receiving a cupcake with a lighted candle on top. Girls put pennies in the birthday container for the Juliette Low fund. Games and singing concluded the party. Leaders present were: Mrs. Leo Kuhn Jr., Mrs. Orville Orner and Mrs. Bergdale, assisted by Mrs. Reaser.

TRADING QUIET

NEW YORK (AP)—Stocks were a little lower in early afternoon today, coming back a bit from a first hour decline.

Trading again was quiet, particularly in the absence of any important market news. Individual issues responded to specific developments.

Steels, metals, chemicals, motors, oils and rails were down, although here and there some stocks in these groups recorded minor gains.

151 Children Die In Movie House Blaze

By FAROUK NASSAR

DAMASCUS, Syria (AP)—The worst fire disaster in memory killed 151 children in a movie theater at Amude, 400 miles north-east of here on the Turkish border. A man also died trying to rescue screaming children trapped in the flames.

Almost every family in town lost at least one child in the roaring blaze Sunday that started with an explosion in the projection room. It quickly spread through the wooden ceiling and walls of the movie theater, where the children had gathered to see an educational film at a special showing.

The panicky shrieks of children trapped inside mixed with the cries of their parents trying to save them. Many parents dashed frantically through the flames, plucking children to safety, press reports said.

SAVED 11 CHILDREN

Except for Mohammed Said Eldakoury, 30, all the victims were 14 years old or younger. Eyewitnesses reported Eldakoury saved 11 children but lost his life trying to save a twelfth.

Press reports said the theater had only one exit, but about 350 children managed to crowd their way out. Then the flaming wooden roof collapsed.

The two owners of the theater and the projectionist have been arrested for investigation.

The victims were given a mass burial Monday. A planeload of doctors and nurses was sent to tend a score of injured, many of them badly burned. A \$35,000 relief fund was set aside for the town.

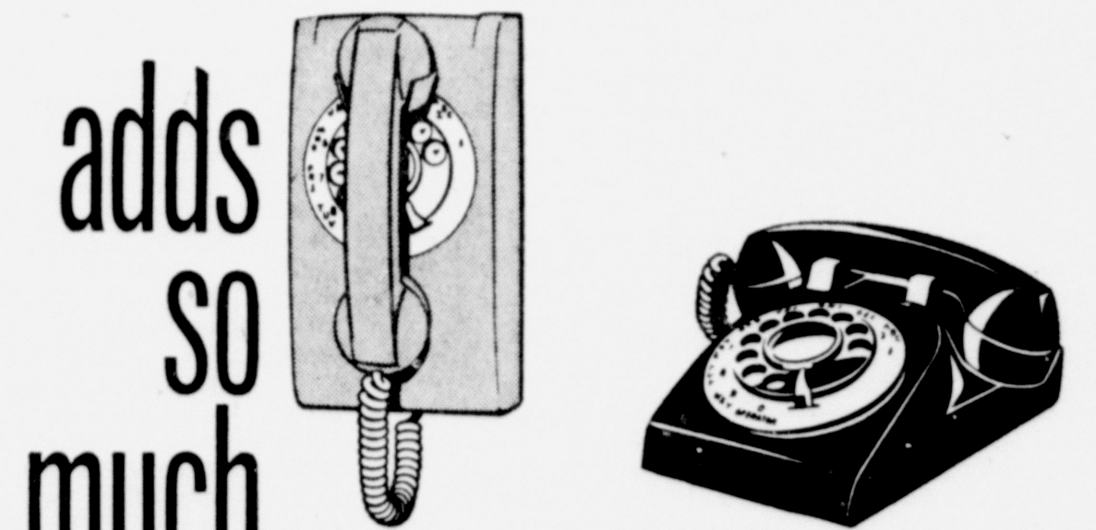

Accuse Priest Of Kidnapping Girl

SUPERIOR, Wis. (AP) — Wisconsin and Minnesota authorities continued their search today for a Roman Catholic priest and a 17-year-old Minnesota girl he is accused of kidnapping.

Municipal Judge Claude Cooper signed a warrant Monday naming the Rev. Lawrence Dudink, 47, chaplain of St. Mary's Hospital, as the kidnaper of the girl who left the hospital with him last Tuesday to "go for a ride."

Douglas County District Atty. John Chisholm said that "in my opinion, this definitely is a kidnapping."

Chisholm said that the girl formerly lived in Superior but had moved to Gilbert, Minn., with her family. Father Dudink was described as a family friend.

Would Close Polls Earlier:
Sentiment for closing the polls at an earlier hour than 7 o'clock in the evening at all Pennsylvania elections seems to be developing rapidly through out the State. Something in this line may be suggested to the next legislature.

Some of the politicians seem to prefer to keep the polls open until the present limit of 7 p.m. This, it is said, is because the workers "get in their fine work" late in the day and early in the evening after outsiders are not as watchful as they have been earlier.

Railroader Is Struck By Train;
Daniel Heiges, Of Near Brandywine, Struck By Engine And Sustains Injuries Which Require Hospital Treatment: Daniel Heiges, a section hand for the Philadelphia and Reading Railroad Company, was struck by an engine west of Rose Garden, near Carlisle Junction, Monday afternoon at 4:30 o'clock and seriously, if not fatally, injured.

Heiges was at work along the tracks with a gang of workmen when an engine came puffing along. He evidently did not see or hear the engine until it was upon him. In his attempt to leap to safety his foot caught on the rails and he fell directly in front of the pilot, Heiges was tossed at least twenty feet, and when picked up by workmen he was unconscious.

Booming Days In Biglerville:
The prosperous little town of Biglerville situated in the fertile upper end of Adams County justly feels proud of the record for progress and industry it has made during the past months.

There have been built, or are in course of completion, nineteen new dwellings and three old dwellings, remodeled and fitted with modern conveniences. The hotel also has been equipped with a steam heat plant and sanitary plumbing, being the only one so improved in the northern end of the county.

Deer Hunters Go Into Camp:
With the opening of the deer season this morning Adams County's hunters by the score have gone to the South Mountain to hunt the fleet footed creatures during the next two weeks and all over the mountain the wooded slopes are dotted with the camps of the hunters.

The following camps are located within or near the Adams County line: Brysonia, Taylor, Monterey, Cashtown, Kane's, Arendsville, Adams County, Benderville. A number of Franklin County clubs are also out on the mountain though the Adams County gunners compose by far the largest proportions of these in camp.

The New Amendments: A good many people wondered why the new amendments to the constitution were not voted on at the last election, and politicians, who had not studied the situation were much concerned because one of the amendments does away with the poll tax. As a matter of fact the amendments will not be voted on until the next Legislature passes on and adopts the amendments. Following this, in 1911, the amendments will again be advertised and next November they will be passed upon by the people.

Burned Saving House: Henry Brockman was badly burned at the home of D. P. McPherson, Carlisle Street, on Monday when some fluid used in treating the woodwork at the home suddenly ignited and caused what threatened for a few moments to be a serious fire. The can in which the blaze started was thrown out of the building by Mr. Brockman and the other fire put out with rugs.

Today's Talk

NECESSITY
Coleridge once remarked, very beautifully, that the child learns to speak by the necessity it feels. All along the way of life, necessity follows a man like day and night and the seasons. No one is ever able to escape it. And the stronger its pressure upon him, the greater the man, as a rule. When everything comes your way you lessen your drive. Your mind is not so keen, you are just a little unready. But driven by necessity, you come to feel the vastness of your big attempts and determine to see them through to success.

It was necessity that started the human race on its forward way. In the first place a man had to have food. Necessity produced it. With his craving for food satisfied, he felt strong, so he sought power. But other men felt the same way. So each man, driven by necessity, sought to excel the other. And so, progress came into the world.

Money is a curse to the boy who has never learned to earn it. Only in necessity are we taught to unfold the secret powers that are born within us. When a man is compelled to face a task, or an emergency, his inventive genius becomes keen and he faces the work at hand with considerable heart.

Necessity has written every great chapter in the history of the world! If you have to do a certain thing, never mind—do it. Sometimes necessity seems rather cruel to us, but in the end it is always kind. Necessity keeps us all from being shirkers.

Tomorrow Mr. Adams will talk on the subject: "New Things" Protected, 1960, by The George Matthews Adams Service

Just Folks

THE WORLD AND MAN

"The world is against me," I heard him say,

"The world hates me, and it blocks my path!"

And I had to smile as I turned away,

At the foolish thought of a foolish man.

For the world is big and the world is wide,

And the world has room for us all and more,

And the world from nobody turns aside,

But ever stands with an open door.

Nor was he the first that I've heard exclaim,

That the world was against him and vent his rage

Because no one ever cheered his name,

Or set it large on the printed page,

But always I've found that the man who railed

And blamed the world for the wrongs he bore,

Was always the man who had tried and failed,

And the fault was his that he didn't score.

Oh, it isn't the world that's again the man,

Don't blame the world if you don't succeed.

The world's too busy to think or plan

For you or me in our hour of need,

I doubt that the world even knows we're here,

It's up to each one to rise or fall;

And we've all a show on this hemisphere,

But some are against the world, that's all.

EMMITTSBURG, MD.Kennedy Learns Nixon Has
Reservations About GOP's
Role In New AdministrationBy MARVIN L. ARROWSMITH
PALM BEACH, Fla. (AP) — President-elect John F. Kennedy was reported today to have discovered that Vice President Richard M. Nixon has reservations about the idea of Republicans taking key positions in the new Democratic administration.

Kennedy, winner over Nixon in the presidential election, is understood to have sounded out the vice president on this matter at their history-making conference Monday at Key Biscayne, Fla., where Nixon is vacationing.

Kennedy returned to his headquarters here immediately after the 3-minute meeting and prepared to confer at lunch today with a Democrat who may get a Cabinet post or some other top position in the Kennedy regime. He is Connecticut Gov. Abraham Ribicoff, a key adviser to Kennedy during the campaign.

NO POST OFFERED

Kennedy told a news conference after his session with Nixon that he did not offer the vice president a post in the new administration.

But sources in a position to know said Kennedy discussed with Nixon the possibility of naming some Republicans to important positions, particularly in the fields of foreign policy and national security.

Nixon, it was understood, did not speak flatly against the idea. But he is known to question whether—against the background of the hot contest he gave Kennedy on the popular vote—it would be wise from the standpoint of his party's future for renewed Republicans to join the Kennedy team.

Both the president-elect and Nixon

USE 'COPTER
FOR MANHUNT

HUNTINGDON, Pa. (AP)—State police today called a helicopter into service to assist in an all-out manhunt for five inmates who escaped from the Huntingdon State Prison by overpowering a guard.

An all night search by a posse of more than 50 police officers and prison guards in a densely wooded area failed to turn up the prisoners.

As the posse worked around-the-clock, roadblocks remained set up in the area.

FLED IN FOOT

The prisoners, apparently unarmed, were believed to have fled on foot into a rugged mountain section about 15 miles south of here after abandoning a prison truck.

State police said the men made their escape Monday by hiding in the back of a rubbish truck and overpowering a guard when the vehicle stopped outside a gate. They forced a prison trusty from the driver's seat and drove south on Route 26.

The prisoners were identified as Scotty Robinet, 32, Defiance, Bedford County; Raymond Wade, 36, Washington; Robert Harn, 32, Eightyfour, Washington County; Norman Keller, 25, Farrell, Mercer County; and Donald Davidson, 23, Baden, Beaver County.

HIT-RUN DEATH

HERSHEY, Pa. (AP)—A Hershey man was found dead along a road near here Monday night in what the Dauphin County coroner called an apparent hit-and-run accident.

The victim, Norman A. Hoover, about 59, was found on Route 743, near old U.S. 22, in East Hanover Twp., by Hubert Zeckman of Grantsville R. 1. The road makes a sharp curve at that spot.

counsellors in attendance were the Rev. William R. Jones, pastor; Mrs. Estella Furlow and Mrs. Mary Byers. The MYF will meet again next Sunday at 6 p.m. Bernard Weaver was leader and presented the topic at the meeting of the Youth Fellowship of Redeemer's United Church of Christ on Sunday evening. Group games were conducted by the adult counsellors, Mr. and Mrs. Marvin F. Breighner and Mr. and Mrs. John D. Basehoar. Jane Basehoar was appointed to be leader for the meeting next Sunday at 6:30 p.m.

on called the Kennedy-instigated conference cordial and frank. Kennedy termed it very beneficial to him and said he and the vice president will meet again, probably early next month.

A key to any reluctance on Nixon's part regarding Republicans filling top positions under Kennedy appeared to be reflected in Nixon's remarks at his news conference. He said any differences he and Kennedy have in the next four years will be based on principal and not personal considerations.

Kennedy a bit earlier had responded, when asked whether he had discussed with Nixon the possibility of appointing Republicans, that the conference dealt with a whole range of subjects—including problems facing the nation and how to handle them.

The president-elect and Nixon greeted each other cordially on Kennedy's arrival from Palm Beach.

As for his own plans, Nixon was noncommittal. He said he intends to spend about a week soaking up Florida sunshine.

SUBIC BAY
COMMANDER,
FAMILY DIE
IN AIR CRASH

By CARL ZIMMERMAN

MANILA, Philippines (AP) — Rear Adm. Arthur F. Spring, 52, commander of the big U.S. naval base at Subic Bay, his wife and four other persons were killed today when their Navy patrol plane crashed into a Philippine mountain and burned.

A U.S. Marine helicopter searching for the admiral's missing plane crashed near the wreckage. Three of the seven persons aboard also were killed.

Two U.S. Air Force paratrooper medics later jumped to the remote crash site and found the victims. The bodies were not immediately identified, but a Navy public information officer said:

NO SURVIVORS

"It is a safe assumption that Adm. and Mrs. Spring are dead. They were definitely on the plane, and there were no survivors."

The Springs attended a military dinner-dance in Manila Monday night. They were flying back to Subic Bay aboard a twin-engine Albatross amphibian at the time of the crash.

Also on board were a pilot, co-pilot, a crewman and one officer passenger. The Navy withheld their names pending notification of next of kin.

The Navy also withheld the names of those aboard the helicopter, from the antisubmarine warfare carrier USS Hornet.

WRECKAGE FOUND

The wreckage of the Albatross was found about 2,700 feet up Mt. Mariveles on Bataan Peninsula, overlooking Subic Bay, where the United States maintains its key base for supporting 7th Fleet operations in the South China Sea.

Spring, from Laconia, N. H., starred in football and lacrosse at Annapolis, where he was graduated in 1930.

He won the Navy commendation ribbon while a gunnery officer on the cruiser Louisville off Guadalcanal in World War II and later commanded the heavy cruiser Helena. He assumed command at Subic in February 1959, after serving as chief of staff of the 7th fleet.

The Springs had a son, Lt. JG Arthur T. Spring, who is stationed at the navy nuclear power plant school in Windsor, Conn.

TURN OUT FOR
1ST DAY TEST

By THE ASSOCIATED PRESS

State police today prepared for another busy day of giving eye tests to motorists who must pass the examination to qualify for a driver's license under Pennsylvania's new physical fitness program.

The program opened Monday and state police barracks were swamped with motorists. In Harrisburg several hundred persons waited outside the barracks, forming a line a block long.

Some 825 took the test at the Belmont Barracks in Philadelphia.

MANY TURNED AWAY

About 400 other applicants were tested at the Norristown State Police Station.

Hundreds were turned away at Lancaster. Many persons who received notices showed up Monday whether they were supposed to or not. State police appealed to drivers to read their notifications carefully and appear on the correct date.

TAKE 10 YEARS

In all, throughout the state, officers manned 83 check sites set up to take care of the 196,000 applicants for 1961-62 operators' licenses. The eye tests are expected to run through mid-January before the original group is examined in a program the Department of Revenue estimates will take 6-to-10 years to complete.

The only figures immediately available were for those taking the test at the Belmont Barracks. Of the 825 taking the test, 69 failed to pass for a rejection rate of 8.4 per cent.

SECOND CHANCE

State police officials said, however, that those rejected may return for a second test after having their vision corrected with glasses, or, if necessary, surgery.

The examinations are being conducted in late afternoon and evening.

Authorize Increase
In 5 Airline Rates

HARRISBURG (AP) — The Public Utility Commission Monday authorized five major airlines to put fare increases into effect within 10 days.

The commission ended a four-month suspension of the proposed boosts because it said it found the rate changes were "not unreasonably discriminatory."

Eastern, Trans World, United, Capital and Allegheny Airlines will boost inside-the-state fares 2½ per cent generally, plus a dollar increase on one-way trips.

The boosts follow an increase authorized on interstate flights last July 1.

Being Re-examined
Driver Drops Dead

YORK, Pa. (AP) — Kervin E. Snyder, 78, York, died of a heart attack Monday night just after taking the preliminary part of his driver's physical fitness examination at the local state police barracks.

He had taken his eye examination at the barracks in line with the new state requirement. The next part of the test would have been examination by his own physician for various other possible defects, including evidence of a heart condition.

ED 4-2107Fatal Auto Fire
Was Accidental

READING, Pa. (AP)—State police believe an auto fire in which a former New Jersey man was burned to death started accidentally in the upholstery.

The body of Porfirio O. Cortogeno, a farmer who moved here recently from Vineland, N.J., was found Monday in an auto on a mushroom farm in nearby Alsace Township.

Dr. Paul D. Good, Berks County coroner, ruled the death accidental. He said Cortogeno's lungs were filled with carbon monoxide.

Because of damage to the skull police at first feared foul play. But the skull damage was believed caused when the windows in the auto exploded from intense heat.

BIG PROBLEMS
FOR N. ORLEANS
SCHOOL BOARD

By DAVID ZINMAN

NEW ORLEANS (AP) — Lloyd J. Rittner, president of the embattled New Orleans School Board that authorized Louisiana's first school integration since Reconstruction, is a rangy, rugged man with no love for telephones or mailmen.

Rittner's unpaid school board post puts him squarely on the horns of a sizzling dilemma.

The Louisiana Legislature demanded he maintain segregation. A federal court ordered school integration.

CALLED "DISGRACE"

The school board — which has had its power taken away by the state and restored by the federal courts four times since August — obeyed the court order Monday.

The 44-year-old engineer's phone rings day and night. Mailmen pile letters by the score on his doorstep.

"Let me say, I think you're a disgrace to your country, to the South, and to your race," one letter read.

HE'S SEGREGATIONIST

"Traitor, scallawag, coward, vote hound," the names trailed off endlessly as Rittner read the letters in his office.

"When I was elected to the board four years ago," Rittner said, "I never dreamed I would be in the public eye like this. I don't say I would have dodged it. But I didn't think it (integration) could have happened here."

Ironically, Rittner regards himself a staunch segregationist. Yet he voted with three of four other board members for a pupil placement plan that admitted four Negro girls to white schools Monday.

Why? Rittner said he figured it came down to a choice between integration or destruction of Louisiana's public schools.

23 State Scholastic Teams End Season Unbeaten, 14 Others Still Have Chance

By FRED WALTERS

HARRISBURG (AP) — Twenty-three teams have finished the 1960 high school football season unbeaten in Pennsylvania and 14 others still have a chance to join the list.

Last year, only 19 teams survived without a loss. They included, however, teams such as Bradford, Northampton, Richland Twp., Ambler, Lancaster and Johnstown which had long winning streaks going.

All of these have been beaten this year, with Lancaster — which had run its string to 19 games — dropping a 12-7 decision last week-end to Milton Hershey.

FROM LAST YEAR

Only Wyomissing, which finished the season Nov. 5 with its 21st straight victory; Clifton Heights, which has run its string to 16, with one game (Thanksgiving D) left, and once-tied Albert Gallatin have survived from the 1959 list.

Unbeaten and untied this year were: 10 games, Chief Logan, Lock Haven and Washington Twp.; 9, Chestnut Ridge, Trevorton, Conneaut Valley, Fairview, Beaver Falls; 8, Trafford, Sheld, Beaverdale and Wyomissing; 7, Bradford St. Bernard and Northwestern.

West Scranton, Carlisle and Pittsburgh North Catholic each has won nine games. West Scranton has two or three more games left, depending upon whether it makes the East Penn Conference playoff; the other two have one left.

LITTLESTOWN TIED

Philadelphia Frankford, Norristown Kenrick and Wilkes-Barre GAR have won eight and Clifton Heights seven. GAR has two more games. Frankford also has two and maybe a third—the city championship. Kenrick and Clifton Heights have one left.

The unbeaten, but tied teams are: Gallatin, Littlestown, Sayre and Neshaminy with 9-1 records; Brookway, North Union, Union Joint, Conestoga and Philadelphia LaSalle, 8-1; Neville, Verona and Easton, 7-1; Germantown Academy of Philadelphia, 6-1; Nazareth and Ridley Twp., 5-2; and Old Forge, which has won six and tied three.

Conestoga, Easton, LaSalle, Nazareth, Neshaminy, Old Forge and Ridley Twp. still have games remaining. If Frankford wins the Philadelphia Public League title, it will play LaSalle for the city crown but otherwise none of the unbeaten teams still playing will be matched.

LITTLE PLAY THIS WEEK

Earlier in the season, Easton tied Neshaminy; North Union and Gallatin drew and so did Brookway and Union Joint.

The schoolboy gridirons generally will be quiet this weekend, with the few teams still playing warming up for the Thanksgiving Day climax. The big game will match Erie Academy and Erie Cathedral Prep Friday night in a playoff for the Erie County Big Seven championship. They finished with 5-1 conference records. Prep lost to Academy, 13-0, the first weekend in October. Academy lost its league opener to Erie Tech, 28-6, on September.

Another top contest will match Neshaminy against Bensalem Saturday for the lower Bucks title. Each is 7-0 in the league.

Frankford winds up its league schedule Thursday against Olney; West Scranton meets Blakely and Lancaster closes against York in other top games.

Holy Cross QB Wins Sophomore Of Week

NEW YORK (AP) — Pat McCarthy and Joe Iacone, a couple of familiar names in football this season, ran one-two this week in the balloting for Eastern College Athletic Conference Sophomore of the Week.

McCarthy, Holy Cross quarterback from Haverhill, Mass., won the honor for his performance against Penn State although his team was beaten.

He completed 12 of 29 passes for 171 yards, ran for 11 yards and scored a two-point conversion.

Iacone, West Chester fullback from Radnor, Pa., gained 201 yards in 24 carries and scored three touchdowns in a 42-13 victory over Bloomsburg.

It was the fourth time this season that each had been nominated.

Racing Commission To Hold Interviews

HARRISBURG (AP) — The State Harness Racing Commission will conduct interviews Dec. 7 with three organizations proposing raceways in eastern Pennsylvania.

Deputy Atty. Gen. Harry L. Rossi said Monday the three are the Concord Turn Club and the Philadelphia Harness Racing Association, both proposing tracks in Delaware County, and the Eagle Raceway, Inc., which proposes to build a track in Chester County.

TOP ENDS TO CLASH IN TILT IN PITTSBURGH

PITTSBURGH (AP) — Football people are saying this Saturday's clash between Pitt and Penn State will have a very interesting side attraction — a battle of two powerful ends.

For Pitt, it will be Mike Ditka, an All-America candidate who has been praised far and wide all year long.

Right across the line will be Penn State's Bob Mitinger. Last spring, Mt. Nittany coaches said Mitinger has a chance to become the greatest end in Penn State history.

In size, the two are about even. Ditka is 6 foot 3, senior, and weighs 215. Mitinger is 6 foot 2, junior, and goes 210.

Football observers will be looking with interests to compare the offensive and defensive talents of the two.

Ditka, the captain of the Pitt squad, hails from Aliquippa, about 20 miles northeast of Pittsburgh. Mitinger is a product of Greensburg, which is about 20 miles the other direction for Pittsburgh.

Football coaches in several parts of the country said Ditka is one of the finest ends they have ever seen.

WAS AP LINEMAN

In Pitt's upset over Syracuse, he was chosen as the Associated Press lineman of the week.

Mitinger says he isn't too much concerned with all the talk about his all-America potential. He says he just wants to do a good job Saturday.

"I just like to play football for all it's worth," he explained. "If I don't try to do the job all the way, I'd quit."

Mitinger, incidentally, comes from a family of athletes. His father, Robert Sr., played guard for the late Jock Sutherland at Lafayette in the early 1920's. His uncle, Charley Berry, the American League umpire, was an outstanding end at Lafayette in 1924. And his brother, Joe, captained the Yale football team in 1952.

The game Saturday will be the 60th renewal of the state classic. It started in 1893.

Pitt scored a 22-7 upset last year.

Carpenter May Miss Cleveland Game

PITTSBURGH (AP) — End Preston Carpenter of the Pittsburgh Steelers may miss Sunday's game with the Cleveland Browns because of a pinched shoulder nerve.

A team spokesman said Monday the injury, suffered Sunday against the New York Giants, causes Carpenter pain when contact is made.

Linebacker Rudy Hayes re-injured his ankle against the Giants, but is expected to be ready for the Cleveland game.

West Virginia Has Hopes For GW Win

MORGANTOWN, W.Va. (AP) — West Virginia University's Mountaineer Weekend, normally filled with light-hearted events, won't be a complete success without a football victory Saturday over George Washington.

Coach Gene Corum and his charges hope to make this their ninth straight victory over GW in their series. Although the Colonials dominated the 1930s, WVU holds an 11-6 edge.

Twelve seniors will be winding up their college careers, with five lettermen among them.

Besides making Mountaineer Weekend a success, a victory over George Washington would be the team's first in 14 straight games.

To Fill Vacant State Positions

HARRISBURG (AP) — Now that the legislature has adjourned, Gov. Lawrence can make interim appointments filling vacancies in scores of state and county posts.

A governor's office spokesman said Monday the interim appointments are already prepared and will be issued soon. Many of them had been blocked by the Republican-controlled Senate since Jan. 5 when the first annual session since post Civil War days began.

The major vacancies are in the Milk Control Commission; the State Tax Equalization Board; the Securities Commission and the State Air Pollution Commission.

The three-member Milk Commission has one vacancy. The present members are Chairman Joab K. Mahood, a Republican, and Simon K. Uhl, Democrat.

Sweeney, Wilson Leaders In Scoring

NEW YORK (AP) — Bill Sweeney of Springfield and Larry Wilson of Buffalo still are just a point apart in their scrap for the American Hockey League scoring lead. Each picked up five points last week.

Official statistics today showed Sweeney with 28 points on nine goals and 19 assists. Wilson, tied with Sweeney for the lead in assists, has scored one less goal.

Willie Marshall of Hershey is third, after an eight-point pickup, with a 24-point total. Bruce Cline of Springfield, tied for fourth in scoring, and Dick Gamble of Buffalo are the top goal scorers, each with 12.

Marcel Paille of first place Springfield retained his big lead among the goalies with five shut-outs and a 2.06 goals-against average.

CREDIT RADAR WITH SUCCESS

HARRISBURG (AP) — State police today credited the limited use of radar on some Pennsylvania roads with reducing the number of highway fatalities in September and October.

Commissioner Frank G. McCartney said September's 74 highway deaths were 27 below the same month in 1959 and October deaths totaled 80—18 below 1959.

"There is no doubt the widespread use of radar, which began on Sept. 15, and the use of plainclothesmen on traffic patrol, ordered Sept. 20, figured prominently in this saving of lives," McCartney said.

USE AS EVIDENCE
McCartney said he hoped "the public and the state legislature" would use the statistics as evidence "of the effectiveness of highway radar and the need for plainclothesmen as an indication of how good, modern enforcement can make the highways safer."

Legislation to make radar evidence legal in prosecuting speeders has failed of passage in the General Assembly. State police said no arrests have been made based on radar since they began using it.

SOCCER PLAYERS COMPLAIN

LONDON (AP) — Trouble is brewing in the English Soccer League, where the maximum weekly salary is 20 pounds—\$36. Players from the south of England Monday told the Professional Footballers' Association, representing 2,700 pros in England, that they are ready to strike for more money.

CASEY STENGEL HONORED FOR 50 YEARS DUTY

By BOB MYERS

Associated Press Sports Writer
GLENDALE, Calif. (AP) — The inimitable Mr. Stengel—Casey, that it—look several hundred friends on an uproarious tour of his 50 years in baseball, from Kankakee to Yankee stadium, with innumerable detours through the English language Monday night.

But at the end, as one could best assemble his scrambled notes today, it was apparent Casey still doesn't know which road to pursue in his astonishing career.

The setting was the exclusive Verdugo Club. The dinner was a salute to Casey's golden anniversary in baseball. It also turned into a humorous lament for his surprise dismissal as manager of the Yankees.

MOST SHOCKING

County Supervisor Warren Dorn put it this way: "Next to the firing of General MacArthur by President Truman, the firing of Casey by the Yankees was the most shocking."

Master of ceremonies Leo Durocher, in a moment of high praise for Stengel, said he would like to be a coach for him. Durocher said that when he read of Stengel's firing, his reaction was in one word: "disgraceful."

Stengel, however, who shortened his address to something just under an hour, was in gay spirits.

LONG DESCRIPTION

His lengthy description of life in the raw old days finally led in some manner to the need for keeping the men's smoking room on trains in a sanitary condition. Some time later in his discourse Casey tied this commentary of the bad old days to the good new days with this thought:

"Los Angeles fans won't go for anything that ain't first class, like I was telling you about them trains."

The dinner adjourned soon afterward.

39 SAILORS INJURED IN BUS ACCIDENT

SOUTHFIELD, Va. (AP) — "I was surrounded by twisted metal and what had been the driver's seat," a young sailor said after scrambling out of an overturned bus carrying 40 servicemen.

"A loud crashing sound woke me," Seaman Byron C. Crane, 18, of the USS Conway said, "and I flew against the dashboard. The boy beside me was hurtled through the windshield."

The Trailways bus ran off a foggy highway near this eastern Virginia town and overturned in a shallow creek Monday. Nearly all the servicemen were injured.

STATE COLLEGE RESIDENTS

Most seriously hurt was Robert Sprinkle, a 20-year-old seaman from State College, Pa. He suffered head injuries and was still unconscious at last report.

State Trooper B. H. Seymour, who charged driver J. S. Evans of Rocky Mount, N.C., with reckless driving, said the bus was traveling in "very dense fog" at a speed of between 40 and 50 miles per hour. The bus ran onto the right shoulder of the road and the driver lost control, Seymour said. It plunged down an embankment, turned over on its right side and skidded across a shallow creek.

SOLDIER NOT INJURED

Thirteen of the injured were treated by Dr. Hugh Warren of Smithfield, and 26 were carried in ambulances and private automobiles to a Suffolk hospital. They were later transferred to the Portsmouth Naval Hospital.

A lone soldier aboard the bus was apparently the only man not injured. The bus was on a regularly scheduled run catering exclusively to servicemen.

HE'S 100 BUT "FEELS 1,000"

SEATTLE, Wash. (AP) — "I feel a thousand years old," retired lumberjack John Sands told newsmen.

Actually John Sands is 100 years old today, but he still has to take a back seat to another resident of the Seattle rest home where he lives.

Sands and Margaret Starkweather got together Monday for some picture-taking and pre-birthday celebrating. Mrs. Starkweather will be 101 Nov. 22.

Basilio's Manager Fined In Court

SYRACUSE, N.Y. (AP) — Joseph Netto, former manager of boxer Carmine Basilio, has until Dec. 20 to pay a \$5,000 fine for failing to file federal income tax returns on \$73,093.

Netto was fined in U.S. District Court Monday on income-tax charges.

Netto, 63, of Ithaca, had been charged with failing to file returns on \$79,000 between 1954 and 1957.

Americans Lose In South Wales Match

SYDNEY, Australia (AP) — American star Earl Buchholz, St. Louis, was beaten in the quarter-finals of the New South Wales singles championship at the White City today by Australian Bob Hewitt, 6-4, 6-3, 5-7, 5-7, 6-4.

Wimbledon champion Neale Fraser made the American youngster, Chuck McKinley also of St. Louis, look like a novice in their quarter-final match. Fraser won 6-3, 6-3, 6-3.

BOB LOWE IS IC4A WINNER IN LONG RACE

By ED CORRIGAN

NEW YORK (AP) — "I guess," said 140-pound Bob Lowe with a sigh today, "It's a teaching career for me for the next three years."

Lowe, a 22-year-old Brown senior, won the IC4A cross-country championship over the Van Cortlandt Park trails Monday, and has been trying to figure out a way to keep in shape for the 1964 Olympics.

"I have a wife and baby to support when I finish school," he said. "I'm majoring in sociology, and the only way I can figure to get time to run and work is to teach."

HAS RUN 750 MILES

Lowe was second to Michigan State's Crawford Kennedy in last year's race, so he was the heir-apparent to the title. But he was ill most of the summer, and had to make up for a lot of lost time when he started training in the fall.

He has run about 750 miles in the past two months.

"I'm strictly a long distance man," Lowe observed. "So I'll be aiming for the 5,000 meters or maybe the 10,000 meters or marathon in 1964."

PSU TEAM WINS

In clocking 29:40.4 for the 5-mile course automatically became a record because it probably was the first time the race ever had been run over exactly five miles. When Kennedy posted a fantastic 32:51.8 record last year, Manhattan College Coach George Eastmont got suspicious. He sent a team of surveyors to check the course. They found it was about a quarter of a mile short of five miles.

Penn State, placing its top three men in the first 10, captured the team crown with 72 points. Army was second with 119 and Michigan State third with 130.

U. N. ADVISORY GROUP SPLIT

UNITED NATIONS, N.Y. (AP) — The U.N. Congo advisory committee remained split today on what to do about dispatching a conciliation commission to the chaotic African state.

Informed sources said Secretary-General Dag Hammarskjöld's 18-member committee failed after haggling for four hours Monday night to decide when to send its mission to the new African republic to try to bring warring factions together. It will meet again Wednesday.

One element in the committee is reported, contends there is no sense in sending a 15-member mission all the way to Africa to try to bring President Joseph Kasavubu and his arch rival, deposed Premier Patrice Lumumba, together since Kasavubu is in New York.

The Congolese president came here last week to claim the Congo's empty seat in the General Assembly.

To Ask 2nd Degree For Youth Murder

PITTSBURGH (AP) — The prosecution has indicated it will seek a second degree murder verdict against 15-year-old Delbert C. Fitzgerald Jr., who is charged with fatally stabbing another boy.

Asst. Dist. Atty. Samuel Strauss made it clear while questioning prospective jurors Monday that he will not seek a first degree murder verdict.

Fitzgerald, of suburban Whitehall, is accused of stabbing to death Evan D. Schuster, 18, also of Whitehall, last May 14 during a fight in nearby Brentwood.

Strauss said in his opening remarks, "The deceased was an unarmed boy. The defendant made no effort to avoid the taking of a human life."

Fitzgerald has pleaded innocent to the charges.

Kennedy's Lead Still Dwindles

WASHINGTON (AP) — President-elect John F. Kennedy had a dwindling lead today over Richard M. Nixon in the popular vote. Nixon had narrowed the margin to 257,590.

As officials counted absentee ballots and votes trickled in from unreported precincts, Kennedy's lead was cut 14,227 votes in 24 hours.

With 1,636 precincts out and thousands of absentee ballots uncounted, Kennedy had 33,748,774 votes and Nixon had 33,491,184 votes.

MISSOURI NOW TOP AP TEAM, NAVY EIGHTH

By JACK HAND

Associated Press Sports Writer
The unbeaten Missouri Tigers, winners of nine straight, have taken over the No. 1 place in the weekly Associated Press college football poll by a landslide vote of the 48-man panel of sports writers and sportscasters. Missouri had 34 first-place votes.

Missouri became the fifth team to hold the lead in the nine weeks of the poll, after running second for two weeks. When Minnesota, the defending No. 1 team, fell before Purdue 23-14, Missouri took over. Earlier in the season Mississippi and Iowa each led for three weeks. Syracuse and Minnesota each had one week on top.

ONE MORE GAME

After crushing Oklahoma 41-19 at Oklahoma, Missouri has only one more hurdle to clear. The Tigers' last regular season game will be played Saturday at home against Kansas.

The Iowa team upended by Minnesota a week ago bounced back impressively with a 35-12 victory over Ohio State and moved into second place. Iowa received six first-place votes to five for Mississippi, still unbeaten but tied once. Ole Miss advanced a peg to third by thumping Tennessee 24-3.

The leaders, with first-place votes in parentheses (points figured on a 10-9-8-7-6-5-4-3-2-1 basis):
1. Missouri (34) 457
2. Iowa (7) 379
3. Mississippi (5) 362
4. Minnesota (1) 328
5. Washington (1) 268
6. Duke 205
7. Arkansas 173
8. Navy 156
9. Auburn (1) 104
10. Ohio State 59

Others receiving votes were: UCLA 23, Michigan State 21, Purdue 12, Yale 9, Rice 9, New Mexico State 9, Syracuse 9, Alabama 8, Oregon 7, Florida 7, Utah State 6, Michigan 4, Army 3, Baylor 2, Texas 2, Kansas 1, Tennessee 1.

LEN MATTHEWS WIN DECISION

PHILADELPHIA (AP) — Len Matthews, the No. 1 ranking lightweight contender, today looked ahead to his Dec. 6 fight with Doug Vaillant after a subpar showing against Mexican champion Alfredo Urbina in a 10-round feature at the Arena.

"I'll be better against Vaillant and I think I can beat him," the 21-year-old Philadelphian said Monday night after winning a close split decision over Urbina which was unpopular with some of the 3,354 fans. Matthews and Vaillant fought to a draw last April in Miami.

JUDGES' VERDICT

The ring was showered with papers and programs when it was announced that Judges Lou Tress (47-46) and Nate Lopinson (46-45) ruled in favor of Matthews. Referee Zach Callahan called it even, scoring it 46-46. The AP scorecard showed Matthews ahead 47-46.

Both fighters weighed 136. Matthews racked up points by scoring heavily in the early rounds and in the ninth when he stunned Urbina. His record now is 29-3-2 while Urbina is 27-5-2.

Average Russian Citizen Is Confused Over U.S. Election

By WILLIAM L. RYAN
Associated Press News Analyst

If the Soviet man-in-the-street tries, on the basis of what he has been told officially, to figure out what happened in the U. S. election, he is going to be a mighty bewildered citizen.

Throughout the campaign Ivan's newspapers told him Sen. John F. Kennedy and Vice President Richard M. Nixon were Tweedledee and Tweedledum. The American voter, he read, had no choice at all. Both candidates, said the Communist press, served exactly the same interests and had the same predatory imperialist aims.

Even when it was over, a typical official press comment was that "it is impossible to see with-out a magnifying glass any marked difference between the Republican leader, Nixon, and the Democrat leader, Kennedy."

GOP REPUDIATED?

But then Ivan also was told that the election was a repudiation of the Republican party. For Ivan, there was no explanation of how the American voters could repudiate a policy if there was no difference in policies.

Nor did his press attempt to explain to him why an American electorate could repudiate a political party while a Soviet electorate could never hope to do so. "Millions of Americans," Moscow radio told its home audiences, "have given their reply to the arms race, to military provocation and to the aggravation of the cold war which was the foundation of the Eisenhower administration policy."

The election, continued the broadcaster, expressed the people's "profound disapproval of the political course of the U. S. government."

RED IS CONFUSED

Puzzled Ivan may have won-

dered: How come Americans get to express profound disapproval of their government? Could Ivan do likewise? And if both Democrats and Republicans represent "big monopoly capital," how can the American people repudiate an arms race by electing one or the other?

If both parties are, as the press has told Ivan, incurably imperialist, how can Comrade Khrushchev expect President Kennedy will represent "the people" any more than President Eisenhower did?

Wasn't President Eisenhower once described by Comrade Khrushchev as a man of peace? And when President Eisenhower succeeded President Truman, who until then had been the main devil in the Soviet press, didn't Ivan read that the Americans elected a Republican as a repudiation of the Democrats and of warmongering and arms-racing?

CAN OUST DICTATOR?

If an imperialist president is such a menacing dictator, oppressing the American people, how come they can remove him?

Ivan tended to shrug his shoulders, defeated by his puzzlement. Those Russians who do otherwise just get more bewildered, like a fellow I met in a Moscow department store seven years ago.

Sizing me up as an American, he sidled up and demanded: "Is true all Americans have automobiles?"

I nodded and he squinted suspiciously. "Then tell me this," he pursued. "Why does Truman have aggressive designs on the Soviet Union?"

"Just a minute, I said. "Truman's not president now, Eisenhower is."

He gave me a grin and a knowing wink and said: "Yes, but you know, and I know—Truman's still the boss."

DEMOCRATIC RESURGENCE ACROSS DIXIE

By CARL P. LEUBSDORF

NEW ORLEANS, La. (AP) — The 1960 election brought a Democratic resurgence in the south and little Republican success in extending recent gains, an Associated Press survey showed today.

President-Elect John F. Kennedy polled more votes in the 11 Southern states than any previous candidate.

Vice President Richard Nixon out-did all previous Republican efforts, but his percentage of the two-party vote dropped about three per cent from President Eisenhower's 1956 total. This compared with an eight per cent drop nationally.

OTHER EVALUATIONS

A sampling of returns in several metropolitan areas showed that votes against the Democrats were often conservative rather than Republican. The implication is that a conservative third party might seriously erode the Republican's new strength.

Unofficial, nearly complete returns compiled by the Associated Press in the 11 states gave Kennedy 5,041,905 votes, or 52.3 per cent of the two-party vote, to Nixon's 4,602,166, or 47.7 per cent. Independent Democratic electors polled 109,404 votes in Mississippi, and Louisiana's States Rights Party had 169,962.

In 1956 Eisenhower led with 4,214,155, or 50.5 per cent; in 1952 Adlai Stevenson polled 4,428,163, or 52.5 per cent.

RELIGIOUS ANGLE

Kennedy's percentage would probably have been higher than Stevenson's had it not been for the senator's Roman Catholic religion which hurt him in rural, Protestant areas.

Kennedy's total becomes more impressive when compared with Al Smith's showing in 1928. Smith, the only other Roman Catholic major party presidential candidate, had only 52.4 per cent of the Southern vote at a time when there was virtually no Republican party organization in several states of the old Confederacy.

The Democrats clearly will not approach majorities such as the late Franklin D. Roosevelt achieved. In 1944, Roosevelt received 73.5 per cent of the Southern vote.

Abbottstown

MRS. DELLA BUTT

ABBOTTSTOWN—Mr. and Mrs. Gilbert Zeigler recently gave a reception in their home honoring their cousin, the former Miss Frances Marble Haines, and her husband, Salvador Castro, Aparicio, who were married November 7 in Worcester, Mass.

The bride is the daughter of Dr. and Mrs. C. Grove Haines of Bologna, Italy, where Dr. Haines is the director of the Bologna Center of the Johns Hopkins University School of Advanced International Studies. She is the granddaughter of Mrs. Wilbur E. Haines, Abbottstown.

Castro is the son of Mr. and Mrs. Everado Castro Sandoval, Mexico City, Mex. Guests at the reception included Mr. and Mrs. Ervin Lancaster; Mr. and Mrs. Harry Mummert, East Berlin; Mr. and Mrs. George Butt, Thomsville; Mr. and Mrs. Glenn F. Orndorff, Misses Maude and Eleanor Wolf, Mr. and Mrs. Milton Butt, Mr. and Mrs. Ralph Butt and Mr. and Mrs. Earl Butt, Hanover.

Also present were Mrs. Ernest Jacobs, Miss Irma Nagle, Mrs. Jacob Haar, Mr. and Mrs. Elmer

State Parks Show Attendance Increase

HARRISBURG (AP) — Attendance at state parks last year shot above the national average, a survey made public by the State Forests and Waters Department shows.

The department said over the weekend that the National Park Service found that attendance at state parks increased 9 per cent in 1959, compared with the national average of 7.5 per cent. During the period Pennsylvania increased the number of its parks by 8 per cent compared with 5 per cent nationally.

Pennsylvania spend 16 cents per visitor on park maintenance and construction, while most states spend 34 cents per visitor, the department reported.

SEE BETTER POULTRY, EGG PRICES IN '61

By RICHARD L. GRAVES

HARRISBURG (AP) — Government economists look for improvement in poultry and egg industry prices next year.

In its annual outlook report, the U. S. Agricultural Marketing Service predicted that egg prices would be up next spring while poultry meat prices would bring producers a favorable profit resulting from lower costs, even though prices may be lower.

The forecasts were made for the national egg and poultry market. Pennsylvania, a leading poultry producer, is directly affected by national trends in the industry.

PRODUCTION OFF

Egg production — representing the largest portion of the commonwealth's \$250 million poultry industry—will be smaller nationally, the AMS said. The shorter supply of eggs will mean higher prices next spring.

At the same time a 2 per cent growth in population during the year will put added pressure on the expected upward swing in prices.

The AMS predicted that "egg prices in the first quarter of 1961 will considerably exceed the relatively low levels of January and February, 1960."

OUTLOOK FOR FALL

However, the AMS said indications are the national egg producing flock will be larger next fall than in 1960.

"The result probably will be a larger monthly egg production and lower prices than this fall," the agency reported.

In the meat production branch of the industry, the marketing service cited improved production technology as one of the prime factors which would contribute to improve profit margins and increase production, even though prices are expected to decline.

"The explanation for the continuing rise in output while prices decline is, of course, the concurrent reduction in production cost. The adoption of new methods is continuing and it provides impetus for expanded output," the

Butt, Mr. and Mrs. Charles Chubb and Mr. and Mrs. John Schultz.

After a wedding trip to Mexico City, the couple planned to make their home in Acapulco, Mexico. Mrs. Evelyn Dondell and son, Eddie, Philadelphia, spent several days at the home of her parents, Mr. and Mrs. Harry Kline-dine.

Mrs. Samuel Grim and relatives from Emigsville, York and Hanover, visited their aunt, Mrs. Katie Jones, at Canajoharie, N. Y., who recently celebrated her 90th birthday and was a former resident of Abbottstown.

Antiquated Electoral College Plan Will Operate December 19

By JOHN BECKLER

WASHINGTON (AP)—It seemed like a good idea back in 1788 to have the president of the United States chosen by an electoral college.

The idea was to have the best people in each state get together and pick the best man in the country to run things. It worked fine as long as George Washington was around.

Washington won the unanimous vote of the electors in 1789 and 1792, but never again did the system work the way it was supposed to. The grip of politics got in the gearbox.

Once the people began to have a say as to who were the best men in each state and rival parties started pushing rival candidates, the whole idea of a genteel aristocracy tapping one of its members as president collapsed.

DEC. 19 IS DATE

But despite its failure and the repeated attacks on it, the system is still with us and the antiquated machinery will have to be cranked up on Dec. 19 to make the election of John F. Kennedy official.

On that day the electors will meet in their respective states and confirm what the voters did last Tuesday. Each state gets as many votes as it has members in Congress.

Originally the electors in most states were chosen by their state legislatures but now they are picked by party leaders in each state (although Alabama picked them in a primary). This slate of electors is what the voters choose, not a presidential candidate. The vote is recorded in the candidate's name, however, and as the system has evolved, the electors' votes in almost all cases belong to him.

Fourteen unpledged electors in Alabama and Mississippi will be free to vote for anybody they want on Dec. 19, but their votes can't change the result as it now stands.

PROBLEM IN 1876

Considering the potential for trouble in adhering to such a system it is remarkable that only four elections in the nation's history have been snagged in it.

The worst mess was in 1876 when Democrat Samuel B. Tilden won the popular vote but fell one

AMS report said.

RED MEAT ANGLE

Indications for 1961 are that national production will be up some 13 per cent.

One of the biggest factors affecting poultry meat prices is the production of the so-called rtd meats—prk, beef and lamb.

Expectations are that red meat production will be up 2 to 3 per cent over 1960. Increased supplies of these meats—especially pork—puts downward pressure on poultry meat prices.

LARGER TURKEY CROP

Because it is one of the least expensive meats on the market, poultry is taking a larger percentage of the meat market. However any reduction in red meat prices results in siphoning away potential poultry meat sales.

Another phase of the poultry meat industry is turkey production.

The same technological advances that have aided the broiler (chicken) industry have encouraged increased turkey output.

Prospects are that the 1961 crop will be larger than this year with prices somewhat lower.

were released almost immediately.

Entitled "Rome or Moscow," the letter did not mention the Castro regime directly but exhorted Catholics to rely more on their own strength and less on U. S. military and economic support in the war against communism. It was read only in the Santiago archdiocese, which does not include Havana.

AUGUSTA, Ga. (AP) — President Eisenhower will meet with Treasury Secretary Robert B. Anderson Tuesday for what the White House described as an important conference on foreign aid to underdeveloped countries.

Eisenhower will issue a statement afterward from his vacation headquarters about the pressing need for wealthy Western nations to step up such assistance to impoverished lands.

Lawrence Will Serve Out Term

BUENOS AIRES, Argentina (AP) — Gov. David Lawrence of Pennsylvania Monday denied published reports that he is being considered for a post in the cabinet of president-elect John F. Kennedy.

"I am not a candidate," he told newsmen. "I have two years to go in the governor's office, and I am going to finish the job."

Lawrence, here with a group of touring governors, had been mentioned by the Pittsburgh Post-Gazette as one of two candidates to head the Department of Urban Affairs, if Kennedy decides to create such a new office. The other was Sen. Joseph S. Clark (D-Pa.).

PIPELINERS OF ENERGY

Why Natural Gas Storage Goes Underground

How does the homeowner know he can get all the gas he will need when the thermometer tumbles?

Depleted gas fields near major population centers in the East store gas pipelined from hundreds of miles away for just such needs.

Texas Eastern and New York State Natural Gas Company jointly own the world's largest existing underground storage area, at Oakford in western Pennsylvania. On any one day, Oakford alone can supply enough gas to heat 650,000 homes.

Remote-controlled compressor stations, activated

during peak demand periods, supply the extra push to keep the gas flowing from storage at necessary rates.

Underground storage also solves the problem of keeping the transmission system operating at capacity the year 'round. During summer months, when demand is slack, gas is pipelined into storage, to be pulled out as needed during the winter.

This makes for economy of operation and provides reliable service to local gas distributors when it is needed most. . . as Texas Eastern fulfills its role as Pipeliner of Energy to the Nation.

68-YEAR-OLD SHOT TO DEATH IN DELAWARE

MIDDLETOWN, Del. (AP)—The 68-year-old widow of a prosperous produce farmer was murdered Sunday night, police said.

State Police Capt. John F. Herbert said "there is certain evidence there may have been some sex angle" in the shotgun killing of Mrs. Pauline Money in her farm home on Route 301 four miles west of Middletown.

Herbert said two barns some 50 yards behind the home were set afire "in an apparent attempt to cover up evidence."

MOTIVE NOT CERTAIN

"It definitely was murder," Herbert said, "but whether for robbery or whether there was a sex angle we're not just certain at this point. Investigators still are working on the case."

Cpl. Edward Horney of the Delaware State Police said there was evidence of a burglary in the home, indicating Mrs. Money may have been slain when she surprised a burglar.

Relatives of the dead woman said two rooms on the first floor were ransacked.

AUTOPSY LATER

It was impossible to determine immediately whether anything was missing.

Herbert said an autopsy would be performed in efforts to determine whether the woman was criminally attacked.

She was found lying on her back on the kitchen floor with her dress pulled up over her knees. She mut-

Herbert said investigators have not found the shotgun used in the murder.

Neighbors were attracted to her home by the burning barns. She shared the home with her son, Leonard, his wife and their four children. They were not home at the time.

Firemen put out the blazes on the kitchen floor with her dress pulled up over her knees. She mut-

DEATHS

By THE ASSOCIATED PRESS
PITTSBURGH (AP)—James L. Quinn, 85, former Democratic congressman and veteran newspaperman, died Saturday after a short illness. He served in the House of Representatives for two terms, 1934-38. Quinn, who was editor and publisher of the old Braddock (Pa.) Journal, a weekly, from 1906 until 1940, was born in Clarion County, Pa.

NEW YORK (AP) — Richard (Lord) Buckley, 55, a comedian who had appeared on the stage and in radio and television died Saturday of a heart attack. Buckley, who was born near Stockton, Calif., had spent 30 years in the entertainment field.

DALLAS, Tex. (AP)—Irving R. Shampack, vice president and assistant merchandise manager of the Neiman-Marcus Co., died Saturday after a long illness. Shampack, before joining Neiman-Marcus in 1954, had served with retail clothing stores in New York, Brooklyn, Chicago, Cincinnati and Grand Rapids, Mich. He was born in New York City.

PHILADELPHIA (AP) — Edward F. Coogan, 72, president of the Autocar Co. until its merger with White Motor Co. in 1953, died Saturday. He served as an official of the new company until he retired in 1955 and later became president of a manufacturing company.

MIAMI, Fla. (AP)—Ethel Chase Davis, 75, whose cake-baking and interest in business helped her husband found the 11-state Winn-Dixie grocery chain, died Sunday after a six-month illness. She and her husband, W. M. Davis, who died in 1934, started their first table supply store in Miami in 1925 and it grew into 519 grocery outlets. She was born in Marietta, Ga.

WASHINGTON (AP)—Theodore Irving Coe, 88, architect and long a leader in the building industry, died Saturday after a short illness. He had served as technical secretary of the American Institute of Architects and executive secretary of the U. S. Construction League. He was born in Waterbury, Conn.

NEW ORLEANS (AP) — Joseph Roger Baudier Sr., 67, former editor of Catholic Action of the South, died Saturday after a long illness.

the United Nations component, made the statement at a meeting called by the North Korean side to complain about the introduction of modern weapons into South Korea.

HARRISBURG (AP) — Three more precincts from last Tuesday's general election reported over the weekend, and president-elect John F. Kennedy's margin of victory in Pennsylvania was trimmed by 751 votes.

As matters now stand, Kennedy received in the Associated Press tabulations 2,514,245 votes to 2,383,743 for Republican Richard M. Nixon. Kennedy's margin in Pennsylvania, with eight of the 9,044 precincts still missing, was 130,492.

75 PER CENT OF AFTRA MAKING \$3,000 A YEAR

NEW YORK (AP)—Television, like the movies and radio before it, is fond of big round figures, and its publicists are not reluctant to plump out the figures even more.

We see printed reports that Debbie Reynolds received some \$200,000 for her recent hour's special, that Perry Como paid Casey Stengel more than \$7,000 for one guest appearance on his show, that "Rivak, the Barbarian" cost NBC about a half million dollars—all statistics which should be absorbed with several grains of salt.

It is true, of course, that many performers and behind-the-scenes executives do make a lot of money in television. There are several "spokesmen"—announcers and performers under contract to represent a sponsor or even several noncompetitive sponsors—who are making upwards of \$75,000 a year selling cigarettes, deodorants, coffee and soap on television. There are performers—such as Perry Como and Dinah Shore—whose annual salaries exceed those of most corporation presidents.

But these are the exceptions. Recently the American Federation of Television and Radio Artists (AFTRA) made a survey of its membership and found that 75 per cent of its membership made less than \$3,000 a year in television. The minimum rates of pay under AFTRA's code of fair practice for network TV broadcasting—rates which the union is seeking to increase—are not quite as dramatic as those astronomical star salaries.

For instance, the minimum fee for a principal performer—one who speaks more than five lines—in a 15-minute program is \$87 and this includes three hours of rehearsal. That may sound pretty good, but remember it isn't steady work. Performers who speak less than five lines receive \$61.50 for a 15-minute program; the minimum for a specialty act with two performers, including six hours of rehearsal, is \$371. When the program is unsponsored, prices are cut by 20 per cent.
